

St Mary's Primary School PTFA

CHRISTMAS MOVIE EVENT

Wednesday 7th December

The PTFA have secured funding to provide a Christmas movie event for the children from year 3-7. There will be a large screen hired in and the children will receive popcorn and a fruit shoot. This is a free event with funding provided by the PTFA.

YEAR 3 & 4

Children from P3 and P4 will be escorted to the Senior School to watch their movie. The girls and boys can dress up in a Christmas jumper or wear their own clothes on the day if they wish.

YEAR 5-7

Children in the Senior School have chosen to watch Home Alone. The children can also choose to wear a Christmas jumper or their own clothes if they wish.

P1 and P2 children will also be watching a movie in their classroom during the school day and the PTFA will provide a treat.

A VERY SPECIAL VISITOR

St Mary's PS PTFA have organised for a very special person to visit the nursery school children on Monday 19th December and P1-P4 children on Wednesday 21st December. The visitor is very busy at this time of year but has taken time out to visit our children, the boys and girls will each receive a gift.

CROWDFUNDER

St Mary's PS PTFA have been successful in applying for match funding with Sports NI. We are currently running a Crowdfunder and are well on our way to reaching our target. We need to raise £5000 and Sport NI/The National Lottery will match it. This match funding will go directly to supporting the children. You will find our Crowdfunder page on St Mary's Primary School PTFA Facebook Page. Please spread the word and share our project on your social media pages. If you want to run your own fundraiser to support us, maybe a sponsored activity or bonus ball for example, use the 'contact project' button on the top of our Crowdfunder page. Setting up your own page only takes a few minutes and you will not need any bank details. Just a fun idea!
