Planned Industrial Action – from Monday 16th Oct until Monday 20th Nov 2023

The Education Authority (EA) has warned of expected disruption to some school services as a result of industrial action notified by UNISON. This action will consist of action short of strike from 16 October 2023 to 20 November 2023 as well as ***a full day of strike action on 16 November 2023.***

The EA is working with schools, youth services and partners to minimise any disruption to children and young people caused by the industrial action. However, despite this, there will be disruption to some services; at this stage the EA anticipate that the impact is likely to be most significant across some classroom assistant, catering and cleaning services.

This may impact on the children who receive SEN classroom Assistant support. In the event of a SEN classroom Assistant being off sick, we cannot guarantee a replacement SEN classroom Assistant but will endeavour to do our best and will notify you in advance if we cannot provide cover.

We encourage parents/carers to check the EA website for regular updates and details of any planned disruption here:

Information is also available across EA social media channels.
